## Welcome to Haven House!

Haven House was founded on the belief that given a safe and sober home, women exiting prison can successfully reenter the Juneau community. By living in a structured, stable home, women can address the root causes of their incarceration, such as substance abuse, mental health issues, unhealthy relationships and family dynamics, low self-esteem, or a lack of life skills.

At Haven House, we will not ask you to accomplish anything that has not already been achieved by others coming before you. We will hold you compassionately accountable for your actions, encourage you as you navigate your reentry, and challenge you to nurture your whole self as you strive to create a healthier lifestyle. Haven House will be a self-sustaining home and our hope is that you will bond with staff and volunteers as a community within a community, care for one other, and hold each other accountable for all Haven House rules, parole and probation requirements, and the laws of our city and state. We at Haven House believe that when all members of our house, neighborhood, and Juneau community are welcomed, accepted, and supported, we create a Juneau in which we can all flourish.

We ask that you give us the opportunity to hold you accountable, to support you, and to challenge you as you reenter our Juneau community, and we will help you acquire the tools and boundaries you will need to create a healthier lifestyle here in Juneau. We believe that you can succeed by wanting it, planning for it, and working hard to make your new life a reality.

Welcome to Haven House. Thank you for giving us the opportunity to witness you develop in all areas of your life.

With gratitude,  
Haven House, Inc. Board and Staff

## HAVEN HOUSE PROGRAM ELEMENTS

**Individual Action Plan:** Each participant will develop an Individual Action Plan based on her conditions of release and personal goals upon moving into Haven House and each participant will meet weekly with staff for support as she progresses towards her goals. We believe that those who plan for and work hard to create a positive future will be able to live their way into one.

**Referrals to Community Services:** Each participant will work with staff to seek out the services needed to successfully reenter the Juneau community, and staff will provide referrals to community partners for services such as substance abuse treatment, mental health counseling, employment readiness and job search activities, educational opportunities, permanent housing, etc. Staff, volunteers, and mentors will compassionately hold each participant accountable for her actions by partnering with these community stakeholders, including the Department of Corrections. At Haven House, we believe that participants can overcome obstacles to reentry by creating a network of support in the Juneau community.

**Communal Living:** All participants are expected to participate in shared meals, household responsibilities, and meetings in order to both provide feedback to and support for one another as all strive to build healthier lives. Our supportive, structured home environment will nurture the development of life skills in participants and positive role models and mentors will encourage participants to develop healthier lifestyles as an alternative to the lifestyles that may have previously led to incarceration. At Haven House, we believe in empowering women to self-determination.

**Faith-sharing:** Participants of Haven House will not be pressured to claim a particular faith, to worship, or to accept religious doctrine. Christians, non-Christians, and those with uncertain faith will be respectfully welcomed if they are open to seeking healing and renewal in the context of a faith community, sincerely express a desire to change, and are ready to participate fully in communal living. Faith will be discussed at Haven House. Staff, mentors, and volunteers will express their faith and activities may include Christian scripture and/or prayer in the sincere belief that faith in Christ offers the best path to healing and change. We believe that by encouraging a holistic approach to healing, one that includes the spiritual dimension, that the whole person is nurtured and allowed a second chance at thriving in our community.

**Household Responsibilities:** All participants are responsible for maintaining an orderly living space. Each participant is expected to complete assigned responsibilities in a timely manner. We believe that the basic discipline of performing household chores will help prepare our participants for a structured, independent life.

## MISSION

Haven House is a faith-based organization providing supported and structured living opportunities to foster healing and self-sufficiency for women coming out of prison.

## PURPOSE

Haven House is designed to be a positive, supportive living environment which will stimulate personal and spiritual growth, encourage accountability and financial responsibility, and provide referrals to essential re-entry services during the participant's re-adjustment into the community. Haven House staff and volunteers will assist participants as they navigate their reentry by providing support and referrals to other community services for assistance with food, treatment, counseling, clothing, transportation, employment, and career development, among other services. Additionally, Haven House participants will be expected to participate fully in community activities, including house meetings, meals, and chores.

Haven House will provide up to two years of transitional housing, a faith-based community with successful role models and opportunities for positive relationships, life skills training, and an opportunity for participants to support one another. Haven House is unique in that it is a faith-based home providing natural supports to its residents based on the presumption that women in safe, stable housing situations are less likely to reoffend.

## FAITH SHARING AND COMMUNITY

Participants of Haven House will not be pressured to claim a particular faith, to worship, or to accept religious doctrine. Christians, non-Christians, and those with uncertain faith will be respectfully welcomed if they are open to seeking healing and renewal in the context of a faith community, sincerely express a desire to change, and are ready to participate fully in communal living. Faith will be discussed at Haven House. Staff and volunteers will express their faith, and activities may include Christian scripture and/or prayer in the sincere belief that faith in Christ offers the best path to healing and change.

## PARTICIPANTS

Each participant of Haven House will be admitted based on her openness to participating fully in a faith community, her sincere desire for change, and her recommendation from her chaplain, pastor, counselor, or probation/parole officer. Prior to acceptance into the facility, each potential participant must interview (preferably in person, otherwise telephonically) with Haven House staff in order for staff to better understand the individual's background and past experiences and to assess the individual's ability to successfully abide by all Haven House Rules. While Haven House staff sincerely desires the best outcome for every woman reentering our community, we understand that Haven House may not meet every potential participant's needs.

Participants may be on probation or parole, but those either on Electronic Monitoring or who are required to register on the sex offender registry are unable to reside at Haven House.

Because 96% of individuals exiting prison experience a disability, Haven House reserves 7 of its 9 beds for women with a history of substance abuse.

# HOUSE RULES

Haven House staff will explain each rule to the participant and the participant must follow the guidelines and expectations of each rule in order to continue residing in Haven House. All interpretations of the following rules, assessments of violation, and assignment of discipline shall be at the discretion of Haven House staff. **Any violation of any federal, state, borough, or city law on the property is a violation of these rules and may result in dismissal and/or notifying the participant's probation/parole officer. Participants must comply with all their conditions of parole/probation while living in Haven House and any violation of said conditions may result in immediate dismissal from Haven House.**

## GUIDELINES AND EXPECTATIONS

Staff will ensure a safe, sober, and stable home environment and will meet weekly with each participant to discuss her Individual Action Plan, refer participants to resources provided by other agencies, provide discipleship and faith guidance, facilitate house meetings, and administer UAs or breathalyzer tests when appropriate.

## ADJUSTMENT PERIOD

After the participant arrives at Haven House, she is subject to a one month adjustment period.

- If during the one month adjustment period the new participant honors all of the House Rules of Haven House, with staff approval, she may stay for a period of up to 24 months (1 month adjustment period + 23 additional months).
- If the new participant has violated any of Haven House's House Rules, her probation/parole officer will be notified and she will be asked to find other housing. If the violation is deemed serious by staff, the participant may be required to depart within 24 hours.

## INDIVIDUAL ACTION PLAN

After a participant has been accepted into the facility, staff and the participant will develop an Individual Action Plan (IAP). Based on the participant's conditions of release and her personal goals, the IAP will identify the services needed and specific goals to work toward. Each participant must actively take part in both developing and following her plan. Progress updates on goals and any compliance issues will be reviewed on a weekly basis. Participants are encouraged to include an advocate, sponsor, or mentor in their weekly plan reviews.

Haven House encourages participants to express their complaints and dissatisfactions without fear of reprisal and stipulates that the participant talk directly with the staff against whom she is filing a grievance in order to encourage healthy and direct communication during conflict. This grievance policy establishes the procedure that a participant must follow in order to file a grievance against Haven House, Inc. or Haven House staff:

- The participant has the right to explain her grievance, and must do so both in writing and orally, during a meeting with the person with whom she has a grievance.
- If talking directly with the person against whom the participant is filing a grievance does not resolve the issue, the participant and the individual will then have a meeting with one of the Co-Directors. In this meeting, too, she must explain her grievance both orally and in writing.
- If the participant is filing a grievance against either one of the Co-Directors and talking directly with the Co-Director does not resolve the issue, the participant will then have a meeting with a member of the Haven House Board and the Co-Director. She must again explain her grievance both in writing and orally.
- After filing the grievance, the Co-Directors or a Board member will have up to 15 days to review it and to respond.

Haven House, Inc. will not take retaliatory action against a participant for filing a grievance.

To ensure that Haven House remains a safe and sober home for all, Haven House has a zero tolerance policy for tobacco, alcohol, illicit drugs, gambling, smoking, or pornography. If Haven House staff has reason to suspect that a participant is under the influence of any substance including alcohol, the participant's probation/parole officer will be immediately notified and the participant will be required to submit to testing. **Failure or refusal of the participant to cooperate fully, sign any required document, or submit to any testing or inspection by Haven House staff, the participant's probation/parole officer, or any other authority may be grounds for dismissal from Haven House.**

- Participants may not use, possess, manufacture, distribute, share, sell, or store tobacco, alcohol, illicit drugs, gambling, smoking, and pornography in Haven House or on Haven House property. Violation of this will result in dismissal.
- Authorized Use of Prescribed Medicine: Participants must report any prescribed drug to staff. # **Alaska Prisoner Reentry Task Force**

## **Five-Year Prisoner Reentry Strategic Plan, 2011 - 2016**

**"The country was built on the belief that each human being has limitless potential and worth. Everybody matters. We believe that even those who have struggled with a dark past can find brighter days ahead. One way we act on that belief is by helping former prisoners who've paid for their crimes -- we help them build new lives as productive members of our society. . . . the work of redemption reflects our values.**

**The bill I'm signing today, the Second Chance Act of 2007, will build on work to help prisoners reclaim their lives. In other words, it basically says:  
We're standing with you, not against you."**

President George W. Bush's remarks on signing the  
Second Chance Act, April 9, 2008

**"Given the importance of prisoner re-entry to the overall well being of our communities, I will be watching with great interest the work of the Alaska Prisoner Re-entry Task Force. I look forward to receiving the Task Force's recommendations regarding Alaska's five-year strategic re-entry plan."**
