Juneau Housing Assistance Program Rental Assistance/Utility Assistance	Alaska Housing Development Corporation (AHDC) sponsors the Juneau Housing Assistance Program that assist households facing eviction, and/or disconnection of essential utilities. Rapid re-housing assistance is offered without preconditions — like employment, income, absence of criminal record, or sobriety — and the resources and services provided are tailored to the unique needs of the household.	
(Assertive Community Treatment – ACT TEAM)	An Assertive Community Treatment team consists of a transdisciplinary team of medical, behavioral health, and rehabilitation professionals who work together to meet the intensive needs of recipients with severe and persistent mental illness.
