Question applies to multiple boards

How many hours per month are you able to serve?

Interests & Experiences

Please tell us about yourself and why you want to serve. [Please respond to each of the below questions and don't just write "see attached resume."]

Please explain, with specificity, your reasons for applying to serve on this particular board.

I moved to Alaska from Wisconsin in 1988, pursuing my career in Fisheries and worked for US-Forest Service/Forestry Sciences Lab in Juneau until 1994. Furthering my Fisheries career, I joined the Alaska Department of Fish and Game and is where I've been since, also in Juneau. During my 3 plus decades living in Juneau, I have seen many changes; but nothing like I have seen in the recent 5. The booming tourism industry is having a major impact on Juneau and its infrastructure. Given my work history, I have a wide range of experiences that I feel would make me a valuable addition to the Commission having conducted fish habitat surveys, written reports to inform land managers of various land activity impacts, commented on numerous land management plans, and participated in public meetings for proposed land development projects. Given the pressures to develop and expand to accommodate the inevitable growth here in Juneau, I feel that I can play an important role in the planning process and why I am pursuing a seat on the Planning Commission.

Please select the type of board seat for which you are applying *

General Public Seat

Please list any organizations for which you currently serve as a board member, officer, or employee.

None at present time.

Employment/Volunteer History: Please list any previous work or volunteer experience you have serving on a board.

2003-2006: Board member on the newly formed Juneau-Douglas Ice Association to foster the development of a new youth ice hockey program in Juneau. Collaborated with the CBJ-Parks and Recreation Director to optimize uses of the new Treadwell Ice Arena to accommodate the new youth hockey program. 2008-2016: Panel member on the Pacific Salmon Commission's Northern Panel to work/negotiate with Canadian counterparts regarding salmon fishing catch sharing agreements/arrangements in the Northern Boundary Area under the auspices of the US/Canada Pacific Salmon Treaty.

Education/Training: Please list both formal and informal education & training experiences:

BS Degree: University of Wisconsin-Stevens Point (1987), Fisheries Management-Aquatic Biology. Alaska Board of Fisheries Meetings: 2009, 2012, 2015 (Preparing/presenting ADF&G staff comments; responding to Board member questions during deliberations). ESRI ArcGIS: extensive use of ArcGIS software and understanding of geographic information and geospatial datasets for analyzing/assessing various activities/impacts on the landscape.

Licenses/Certifications etc... Please list any professional licenses, certifications, or registrations that may be considered a qualifying criteria for the board to which you are applying.

None applicable to this seat.

Interests & Experiences

Please tell us about yourself and why you want to serve. [Please respond to each of the below questions and don't just write "see attached resume."]

Please explain, with specificity, your reasons for applying to serve on this particular board.

I am a REALTOR®, I have been helping Buyers and Sellers through their real estate transactions everyday, in Juneau and the surrounding communities of Southeast Alaska for very close to 15 years. Housing is my number one concern, it is what keeps me up at night. Juneau has long term issues with inventory shortage driving the cost of housing up beyond what shipping costs add, keeping our population stagnant, and some years even declining. In order to sustain, growth is needed and the place to start growth is to provide the housing that is adequate to meet the needs of the growing community. It has long been deeply concerning that the people I grew up with here in Juneau cannot afford to buy a home, non homeowners are more transient, and tend to move on a whim. Homeowners build communities, strengthen neighborhoods and create a stable economy. As a REALTOR® it is my mission to provide the public with the opportunity to live the American Dream of home ownership. As a small retail/resale business owner/partner with my husband, our success depends on vital stability of our economy, and the availability of business opportunity for growth. As a Juneaunte for over 32 years it is my wish that my children, my friends, and my fiends children who are getting ready to settle down or looking for their next adventure, stay right here in Juneau because we can offer the opportunity and the availability to support a population in growth, a good place to raise kids and retire. The Planning Commission is where the conversation starts, is rolled around, adjusted, discussed, picked apart and resolved. The important topics and reviews of area-wide functions of planning, platting and zoning and adjustments of variances that are made by the planning commission affect the way our city grows or shrinks and how are stability can be maintained or lost. The recommendations and updates the Planning Commission makes to the Assembly on the CBJ Code and Comprehensive Plan keep the City moving towards the future and a better more vibrant Juneau.

Please select the type of board seat for which you are applying *

General Public Seat

Please list any organizations for which you currently serve as a board member, officer, or employee.

Interests & Experiences

Please tell us about yourself and why you want to serve. [Please respond to each of the below questions and don't just write "see attached resume."]

Please explain, with specificity, your reasons for applying to serve on this particular board.

I am a life-long Alaskan with experience living in numerous rural and urban communities. I have a keen interest in both community development in long-term planning in Juneau, Alaska, as this is my home. I appreciate the significance of the planning commission and would like to be part of the process. At present, there is a notable representation within the commission from industry members, including contractors, commercial property owners, and architectural experts. I believe there is value in having planning commission participation from dedicated individuals external to the industry. The rules of order of the PC state they are to: "Improve communications between the Commission and the public-at-large..." My line of work allows for regular interaction with numerous unique members of the public, which may help facilitate this objective.

Please select the type of board seat for which you are applying *

General Public Seat

Please list any organizations for which you currently serve as a board member, officer, or employee.

Which Boards would you like to apply for?

Planning Commission: Submitted

Are you applying for reappointment to this board?

Yes No

If you are applying for more than one board, how many total boards are you willing to serve on?

None Selected

Special Needs - please list any special needs below such as need for sign language interpreter, etc...

Question applies to multiple boards

How many hours per month are you able to serve?

20

Interests & Experiences

Please tell us about yourself and why you want to serve. [Please respond to each of the below questions and don't just write "see attached resume."]

Please explain, with specificity, your reasons for applying to serve on this particular board.

As a lifelong Juneau resident, I have a great enthusiasm for my community and believe I can contribute to the success of the CBJ Planning Commission. The commission has a vital role helping shape Juneau's growth and our quality of life. Our city is blessed with tremendous resources, encompassing an area larger than even some U.S. states. How we balance use of our lands to meet the needs of Juneau will determine our community's future. The commission facilitates the public process and technical work necessary for Juneau to move forward as community. They help harmonize the need for industry, housing, recreation; and work with the Assembly to shape policy direction for Juneau. I am confident my experience, both professionally and within city government, would be a good fit for the commission. Working in state government, I have had the opportunity to learn community development in coastal Alaska. This entailed a wide range of work with local governments, agencies, and stakeholders to advance regional projects and priorities. My recent experience serving on the CBJ Docks & Harbors Board would serve me especially well as a member of Planning Commission. During my time on the board, we developed long-term plans for sections of Juneau's waterfront similar to the area plans reviewed by the commission. My service also gave me experience chairing public meetings, and working through community issues brought to the board. This work is similar to the myriad of zoning changes, land disposals, Title 49 questions and other requests that come before the Planning Commission. Most importantly though I have a strong appreciation for the importance of an inclusive public process. It is essential for community decision making. I understand the board process, and know how to foster the kind of discussion that leads to solutions. I would enjoy the opportunity to serve on the CBJ Planning Commission.

Question applies to multiple boards

How many hours per month are you able to serve?

20+

Interests & Experiences

Please tell us about yourself and why you want to serve. [Please respond to each of the below questions and don't just write "see attached resume."]

Please explain, with specificity, your reasons for applying to serve on this particular board.

Affordable housing is a function of the cost to build and maintain housing and potential assistance, or a combination thereof. Through Title 49 much can be accomplished to ensure comfortable and enjoyable neighborhoods and ensure people can afford to live in them. We also need jobs in Juneau, which planning can be affected both negatively and positively.
