Please explain, with specificity, your reasons for applying to serve on this particular board.

I am a life-long skier and have reaped the benefits of well-managed and run ski areas for my entire life. I am passionate about enabling access to the mountains for anyone who desires that and for people who don't yet realize how rewarding and edifying winter sports can be. I think that Eaglecrest as a public good is one of the coolest things about Juneau and one of our defining features as a city and culture, and I would love to lean in to support, grow, and maintain Eaglecrest as an institution. I have watched with interest and sympathy the public controversy surrounding wages and benefits at Eaglecrest this past winter, and I hope that my experience and education in HR could contribute to finding a satisfying and sustainable plan.

I currently am employed as an investigator for Starbucks Coffee Company, investigating Title VII claims. I handle sensitive and confidential information, gather information from sometimes hostile stakeholders, and make decisions to comply with state/federal law, reduce company liability, and protect the safety and wellbeing of all employees. I balance competing demands on time with triaging situations that represent the greatest risk to employee safety.

Please explain, with specificity, your reasons for applying to serve on this particular board.

1. Eaglecrest is a unique ski area in that it is city owned and managed. The skill and commitment of the board and management to keep it operational and provide high quality service is something I want to be a part of. There are exciting opportunities coming with public/private partnership that I believe will make Eaglecrest more accessible and valuable to a broader spectrum of our community. 2. I spent a significant portion of my childhood at Eaglecrest- mostly working in the rental shop for John Carter, and also skiing frequently. It is such a big part of my story, and I want to be part of it's continuity- to give back so other kids continue to have the opportunities I did.

Please explain, with specificity, your reasons for applying to serve on this particular board.

I am a lifelong skier. I have dedicated myself to helping others access, enjoy, and grow in the sport of skiing while challenging myself along the way. My years in the sport have included: ski shop technician, ski instructor, sponsored extreme skier, extreme skiing contest competitor, adaptive skiing coach, backcountry skiing instructor, helicopter skiing guide, and endorsed IFSA freeride judge. I truly believe in the community value that skiing and snowboarding provide. We are better as a whole and as individuals when we share this unique experience. Eaglecrest holds a special place in my heart as a soulful, locally owned and operated ski area that has been the spawning grounds for some of the most important developments that have ever shaped the sport, and I say that without hyperbole. From the youngest children learning and enjoying ski and snowboard adventures to the seasoned elders gliding down the slopes with the wind in their faces, our community of skiers is blessed by our mountain. I believe that anyone serving on the board should hold the very important values of challenge, growth, and community close to their heart. As a years-long professional instructor I learned to share the joy of our sport with an amazing spectrum of people. My years of experience in this area inform my understanding of the needs of a crucial ski and snowboard school. My years as a professional medic help me understand the needs that our ski patrol struggles with. Years in the telecommunications industry have taught me the value of solid infrastructure and knowledgeable people with a mindfulness too budgetary constraints and logistical challenges. We are entering an exciting and dynamic time in the future of our ski area. I believe that we must always honor the community value that Eaglecrest is. We must also ensure that it remains the vibrant and cherished place that raises Olympic and extreme sports heroes. I can offer my deep love for the sport and my experience to our community in my service on the board and would be honored to do so.
